

Advocacy and Legislative Leadership Day

February 19, 2009

Attendees heard remarks from several distinguished guests including Commissioner of Education, Lucille Davy and Assemblyman Douglas Fisher, NJ Secretary of Agriculture designee.

NJ FFA's latest Advocacy Tool – "I am the Future of the Science, Business, and technology of Agriculture!"

Select students visited the Farm Bureau and toured the State House.

Attendees participated in workshops that focused on advocating for agricultural education; knowing your legislators and registering to vote; making decisions through the FFA delegate process; and delivering key messages.
